Chairman Message:

Welcome to Al Baida Group.

Whether you are visiting our site as a customer, potential employee or just an interested guest, we welcome you and hope that you will take some time to get to know us!

Ever since its incorporation in 1970, Al Baida Group has moved through monumental stages of growth, and expansion. Today, the Group with a clear vision and a dynamic team has managed to be one of the major business addresses in Qatar.

We are proud to be established with 100% national private capital, reflecting the desire to contribute to the development of the country.

We intend to extend our services across the region and to forge strategic partnerships with international companies.

Al Baida offers its customers an extensive range of services covering several business channels from Engineering consultancy, Construction, Heavy Equipment Rental, Logistics, Freight forwarding, Real Estate, Infrastructure, Customs Clearance and Consumer products. We will continue to operate in a number of core industries where our clear vision and strategy is trusted by our customers.

Thanks to the clear vision of H.H The Amir Hamad Bin Khalifa Al Thani, Qatar has become a key business and trade hub in the region. Based on strong emerging economy as well as political and social stability, the state of Qatar has won the trust of global business agenda. Hosting the World Cup in 2022 and The World Chambers Congress in 2013, among many global events, are the highlight of this earned trust. Qatar is witnessing major development in many sectors such as the Transportation, real estate, manufacturing, trading, and education to name a few.

As a Group we remain committed to corporate and social responsibility. In all of our actions we strive to ensure that all economic, environmental and social factors are considered. We believe that this approach, driven by our principles of respect, rigor and involvement, makes us more responsible and successful.

Once again I welcome you to our website and hope you find it informative and helpful.

Sincerely,

Eng. Ali Al Misnad

Chairman
