Material and Machine Technical Joint Stock Company (Mtech JSC) is a joint stock company and was established in 2002. At present, Material and Machine Technical Joint Stock Company is stepping up export-import activities. Several commodities which we are importing include: mechanical machineries (welding machines, bending machines, hydraulic press, crank press, shearing machine, tank head forming machine, air compressor, transporter shipyard...) and other machines such as: forklift, crawler crane, truck crane, bull dozer, hydraulic excavator, wheel excavator, motor grader, roller, hydraulic earth drill, generator.... Our main partners are Hitachi, Sumitomo, IHI, Kobelco- Japan, Protec, Boxer- Germany, Spark- Italia, Tyrolit- Italia...

Beside above goods, We are an authorized company who can export handicraft products to many enterprises. Vietnam handicrafts are well-known in the world with many kinds made from various materials. Bamboo, rattan and sea grass are so popular in Vietnam that they become an important part of Vietnamese life (bamboo is at Chuong My (Ha Tay), rattan at Ngoc Dong village (Ha nam province), seegrass at Kim Son (Ninh Binh)...). These materials are originated into many kinds of everyday tools such as mats, bowls, trays, baskets, shelf, furniture, handbag, vase, box...and home-décor which are very strange, very attractive and very traditional. Please consider herewith the illustration of our main export goods.

Our main export market is Asia market and Europe market such as: Korea, Japan, Italia, Germany....

With our market experience and with our hard-working employees, Our import- export turnover is increasing. Although exporting handicraft of our company is still fresh, turnover from this goods makes up 40% in total turnover of our company. In the next business plan, We will develop and step up exporting handicraft. And we hope that in the near future, the turnover of this goods is higher.

## **PLACO JOINT STOCK COMPANY**

*Address: Pham Van Dong Road,  
Anh dung, Kien Thuy, Hai Phong  
Tel: 031.814291  
Fax: 031.814290*

PLACO Joint Stock Company is a newly established company in Haiphong City and we are one of the first enterprises invested in wood furniture for export in the city. Till this moment of time, we have completed construction work and importing foreign machinery to be ready in production.

Total area of the company is 3 hectares; PLACO locates in a good position of Haiphong-Doson highway which is favorable for transportation of im-export material and product. Synchronic production workshop and modern office along with advanced production and personnel management method always bring good impression to any foreign partner from the first sight, which attract their attention and interest to cooperate.

We have created a long term relationship to some United State companies and move on getting Buy and Sell contract signed in case good and residential wood furniture with Masten and Shermag. Export markets of those products are United State, Canada and EU and export volume of 120 containers per month will be reached.

With this base, in a near future, we will widen our market and improve production capacity and quality to conquered hardest customers with good reputation and will always be their first and best choice.

Apart from the main business, we keep on finding move partners in other domains to develop our business trademark with the target of forming a strong and multi-business corporation. PLACO is striving to finish feasible studies and start construction to some projects such as Tannery with Zibo-Chinese partner in an area of 90.000m<sup>2</sup>, Garment Joint Venture Company with Korea partner in ThaiBinh province and a project of planting forest in Daklak of 3000 hectare to supply 1.500.000 m<sup>3</sup> wood after 7 years for PLACO wood furniture factory.

With large scale and potential competence, PLACO is getting faster, stronger and stable development to build up some other strategic project such as: PLACO Bank, PLACO Hospital, PLACO International school in the near future.

Our policy is cooperation for development!
