When employed upstream of decision-making, business intelligence is a vital tool for an organization's economic and collective intelligence. In our Signaux360 program, we'll build your international business intelligence strategy together!

## FLAT RATE FOR SIGNAUX360:

\$3,999.60 (taxes excluded). No grant application is required. To benefit from this rate, simply register and join the program before September 30, 2022.

(Initial value of \$13,999.60 + taxes. This initiative is partially subsidized by the government.)

Payment terms: Upon receipt of your registration form, World Trade Centre Montréal will issue an invoice for the total amount of \$3,999.60 (taxes excluded), payable by cheque, before it begins.

## THIS RATE INCLUDES:

- Structured and regular coaching over 12 months.
- A personalized business intelligence plan.
- Four summary meetings (held quarterly) to identify action and decision points with an Acclr team member.
- Twelve newsletters on enhanced business intelligence, i.e. multilingual and including commentary from Phar's international business experts.

Upon receipt of your registration form, a team member from Acclr International will contact you to verify your eligibility and start the process without delay.

Please complete the following form to begin your registration.

**Registration deadline: September 30, 2022**

**Please return this completed form to: [international@ccmm.ca](mailto:international@ccmm.ca)**
