3. Awarding of prizes

3.1 In April 2020, a selection committee, made up of members of the Chamber of Commerce of Metropolitan Montreal, will choose the finalists from among the nominations received. The finalists will be declared winners of a prize, provided they meet all of the conditions described in these rules.

3.2 Finalists will be contacted by phone through their teachers; they must then contact a representative of the **Chamber of Commerce of Metropolitan Montreal** to claim their prize before May 1, 2020. Prizes will be explained to students and their primary caregiver, and that person must sign a document allowing the child to receive the prize. The winners will be invited to the closing event of Operation Back to School, at which time the prize will be awarded. Winning students must be in attendance to claim their prize, otherwise the prize will not be awarded and another student will be selected.
